How can your school get involved?
There are two ways in which you can get involved:

1. Primary School Offer
   We believe every school should have the chance to experience cricket. Therefore, the Kent Cricket Board Primary School Cricket Offer is open to all schools. Please take a look at the options page and send us a booking form or give us a call and see what else we can offer you.

2. Chance to Shine
   The programme is the biggest school sports initiative in the UK, set up by the Cricket Foundation to bring competitive cricket and its educational benefits to a third of state schools and reach two million children by 2015. In Kent, schools are identified strategically for delivery and as a result are invited to be involved.

   Our main aim through this project is to help schools to achieve some of their aims and needs and to help children enjoy regular activities. This is done by focusing on participation, competition, teacher Continual Professional Development (CPD) and by supporting player’s further by helping them to become involved at a cricket club and learn some life skills.

It’s great to be involved with Kent Cricket Board. They have not only offered us Cricket but extra teaching support within school and at extracurricular events. The activities have encouraged lots of children to participate in sports and given them confidence to continue playing at local clubs outside of school.

Lisa Sparkes
Northdown Primary School
Inspiring the next generation
Kent Cricket Board Teachsport can deliver all of your PE teaching requirements including:

**Teacher Training**
One to One Training - Staff insets (including Twilights)

**Other Services**
Curriculum Teaching - PPA Cover - Schemes of Work - Competitions

**Other Sport delivery**
Football - Tag Rugby - Dance - Gymnastics - Hockey Volleyball - Athletics
(we also provide a number of other services upon request)

**Continual Professional Development** - Teacher Training
Staff training can be bespoke to your needs; from Inset Twilights for groups or one to one. We will work with your chosen teachers to train them to become fully competent and confident in teaching PE to Ofsted standards whilst delivering National Curriculum PE and sport across any year groups you require.

**Sports of The World**
A cross curricular course aimed at teaching children sports and events from around the globe. Each child will receive a workbook to record their progress throughout the course.

**Primary School Leadership Certificate (PSLC)**
A Key Stage 2 course aimed to teach children the leadership skills required when making the transition into secondary school. The PSLC is also ideal for team-building and teaches children to design and run their own sports session and/or event.

For more information, please contact Andy Griffiths or Adam Hodder on 01227 473618 or visit the link for further information:
